### BEER FESTIVAL

The most known beer festival in Switzerland is in city such as Lucern. Another hot spot is a local brewery in Baar, located near the hell cave, seasonal opening time during September - October each year.

Suggested activities:

- Visit the hell cave and try the bottle from hell.
- Stroll paths along cascades.
- Dining in the beer restaurant or the beer tent.
- Fun cooking in the camp and picnic grill in green.

Ready for the festival?

\* Rent a Dirndl & bonfire beer sausages or ready to cook meal available on our website.

### PATH TO HELL AWAITS!

Welcome to Switzerland. Time to celebrate! Let's join the beer festival. During September - October, you can visit brewery and hell cave. An exciting adventure in the devil forest. Wouldn't it be nice to stroll along the river and do a little picnic, especially with the loved ones. Quite a thrill, isn't it?

### THE BLOOD TRAIL

In the town to be known for having the great beer, it is a must to buy and try it. There are other local breweries and beer products such as beer bread and Swiss sausages. Baar is a town in the canton of Zug, situated in the central part of Switzerland. Hell cave is one of plenty hot spots for sightseeing, including the paradise village.
